

Put Art on the Map in Calumet!

Calling All Artists to a Community Conversation

What stories do you want the arts to tell in the Calumet Region? Join us and **share your vision** for a possible **Calumet Heritage Area** in Northwest Indiana and Northeast Illinois. Together we will **explore** the potential **place of the arts** in a future heritage area, so don't miss the chance to have your say and put the arts on a Calumet cultural resource map.

Come prepared to talk about your arts practice and other arts groups in your community.

Thursday, December 12th
5:30 - 7:30 p.m.

Calumet College of St. Joseph
Black Box Art Gallery & Lobby (second floor)
2400 New York Ave.
Whiting, Indiana 46394

Across the country, heritage areas have become an effective way to connect people to places for the benefit of communities and landscapes. This is the first in a series of community conversations hosted by The Field Museum in collaboration with the Calumet Heritage Partnership about the potential for creating a Calumet Heritage Area where residents, organizations, and businesses will be asked what a future heritage area could be.
