People's Museum

The Lakeshore People's Museum
invites you to the Genesis Towers
Senior High Rise pop-up museum.

**Come see family treasures, hear stories, and
enjoy food on June 20, 1-3 p.m.**

This pop-up museum brings together people, memorabilia, and stories. A letterman jacket, letter from a soldier, a grandmother's quilt or childhood doll – these pieces of our heritage come with important stories that can be shared across generations.

**RSVP to Cassandra Cannon, CEO United
Urban Network, Inc., (219) 939-0074**
