

Calumet Heritage Partnership

The Mission and Vision of The Calumet Heritage Partnership

Adopted by the Calumet Heritage Partnership Board of Directors August 15, 2019

About

The Calumet Heritage Partnership is a diverse bi-state partnership of environmental organizations, historical societies, arts organizations, libraries, educational institutions, government agencies, businesses, and individuals working together across political and cultural boundaries in the Calumet Region of Illinois and Indiana.

Mission

The mission of the Calumet Heritage Partnership is to enrich lives through stewardship and interpretation of the Calumet Region's Heritage.

Vision

The Calumet Heritage Partnership pursues its mission so that the Calumet Region will:

- be designated by the U.S. Congress as a National Heritage Area
- host a rich variety of historic sites, parks, museums, galleries, and recreational amenities
- have a global reputation as an ideal place to live, work, and visit
- be a place of economic opportunity that attracts and retains sustainable economic development and a talented workforce.
- be home to people who understand, value, and take pride in the region's diverse natural, cultural, and recreational heritage.
- be a welcoming region for all people.
